

# We're Your Key

**to ensuring you can collect from and connect with your customers**

In the wake of COVID-19, CST Co. remains fully staffed, and maintains top-level collection services through this crisis.

We are here to help if you need us.

If your accounts receivable landscape has changed and you need more immediate help in just maintaining or re-establishing contact with your customer base, we can also help with our soft-call services.

Our staff of customer service reps can reach out for you under our separate DBA, Client Services Group. Since 1927, CST Co. has been "Your Key to Collections", but right now we can also be "Your Key to Connections".

Call us at **800-626-5873** for more information about how we can help keep you connected with your customer accounts.
